"Neither justice nor evil-
I am 'Void'!
The one who fights against the Knockers!" in a world which suddenly changed. With the appearance of strange power users known as Knockers, Void is the one who hunts them! Those who are trying to hunt Void are 'BOOTS', the anti-Knockers corps; 'Public Safety Commission Section 5', the anti-terrorist criminal investigation squad; 'Pale Horse', the policeman killed on duty and rose from the dead; and 'Shamonji', the beautiful swordsman.

With so many pursuers, what is Void aiming for? For what purpose does he stretch his raven wings?

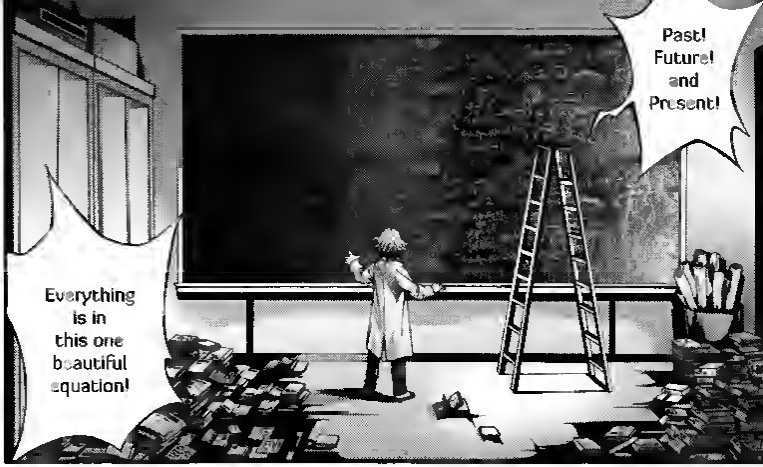
SFX: Ahahaha!!
IT'S SOLVED! FINALLY, IT'S SOLVED...!!
WHY DID THE ALTERATION BURST OCCUR!?
WHY DO THE KNOCK-ERS EXIST AND OCCUPY THE WORLD!?



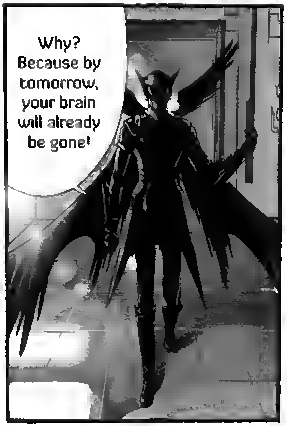
Past! Future! and Present!
Everything is in this one beautiful equation!

The whole world will know it tomorrow! The fact that we, the Knockers are able to be explained entirely with a single equation!!

NO...
THE WORLD WILL NOT CHANGE...
IT WILL CHANGE! THE WORLD WILL CHANGE!
I AM THE ONE WHO'LL CHANGE IT!
This extremely genius mathematician, Katsuyuki Nojima has solved it!

Genius Mathematician, Katsuyuki Nojima,
Also known as Knockers: "Equation".

WHO ...!?



Why? Because by tomorrow, your brain will already be gone!

Episode:01 Hunters of the Void I

I'VE COME... TO TAKE YOUR SIN...
WHA ..
WHAT ..!?
The one who fights against all **Knockers**.
MY NAME IS "VOID".

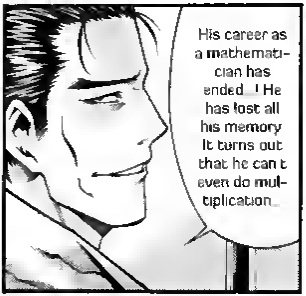
Bit late, aren't you? BOOTS is never on time, are they?
?!
Public Safety Commission?
Public Safety Commission Section 5!
Mr Masuda... We received an order to rush here while we were training with Squad 3 at Narashino
But as you can see, we've already took over this place
You BOOTS can just go home!
That's troublesome, isn't it?

Since we received an order, we cannot go home without an explanation
Why has your section taken over this place?
The victim is Katsuyuki Nojima A professor at Meio University
He is a genius mathematician who was awarded the Fields Medal
You know that he is also known as Knockers *Equation*, right?

BOOTS' Lieutenant, right? Do you understand?
INSPECTOR HAZAMA
Some of the crimes commited by the **Knockers** are acts of terrorism To handle such political matters is our section's job
And also as the one who promote the bill of rights for the power users, he is the object of surveillance for Section 5
It's ok, right? Assistant manager Masuda
Since **BOOTS** has come all this way with full equipment, let's cooperate
Juuzou Hazama from section 5...



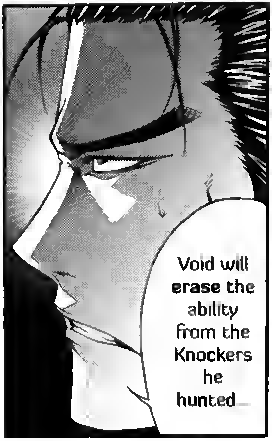
His career as a mathematician has ended...! He has lost all his memory. It turns out that he can't even do multiplication...

Then, where is that victim, Nojima...
He's on the way to hospital. There're no significant external wounds on him and his brain seems fine. It's just...

AAH...

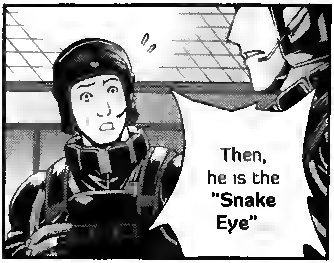
EVERY-THING... IS GONE...
IT'S GONE...

And the criminal, could it be...
Look...!
"VOID"...!
HE IS ON THE MOVE AGAIN!!

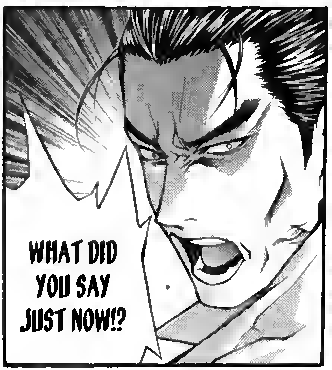


Void will erase the ability from the Knockers he hunted...

Void is a hunter who only aims for Knockers... His method is unique...
!



Then, he is the "Snake Eye"



WHAT DID YOU SAY JUST NOW!?

Who is he...?
He's Hazama from section 5 of Public Safety Commission

.....

DON'T CALL ME WITH THAT NAME AGAIN, YOU BRAT...!
.....!
Hazama was a **Knocker**; his nickname was **"Snake Eye"**
It's ironic He is now the leader of section 5, the anti-Knockers...
Until 3 years ago wasn't he the ace of Section 1 the Criminal Investigation Department?
It's because 3 years ago his ability was erased by Void
COUGH

WHERE IS HE!?
He... he's inside the Meiou Daigaku campus at Minato, in one of the lecture halls.
ASSISTANT MANAGER!
THE TRAFFIC POLICE FORCE HAS HUNTED DOWN THE SUSPECT! THEY'VE ALREADY CORNERED HIM!

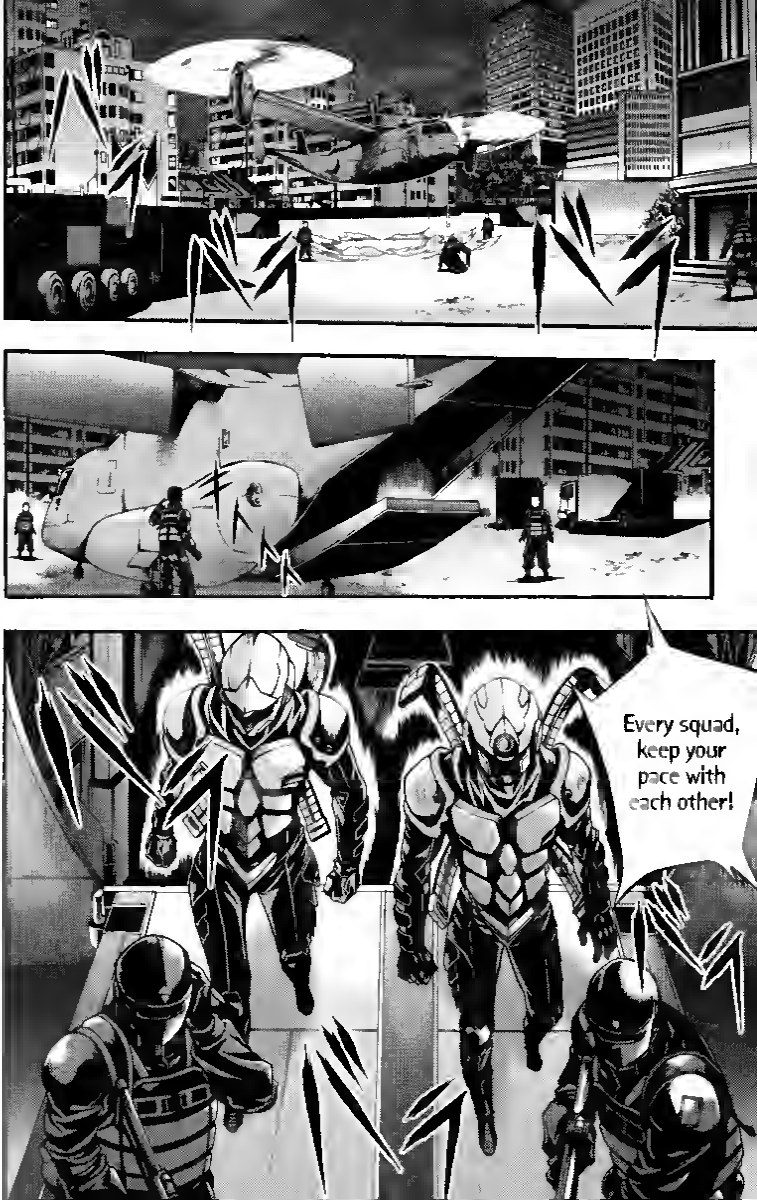
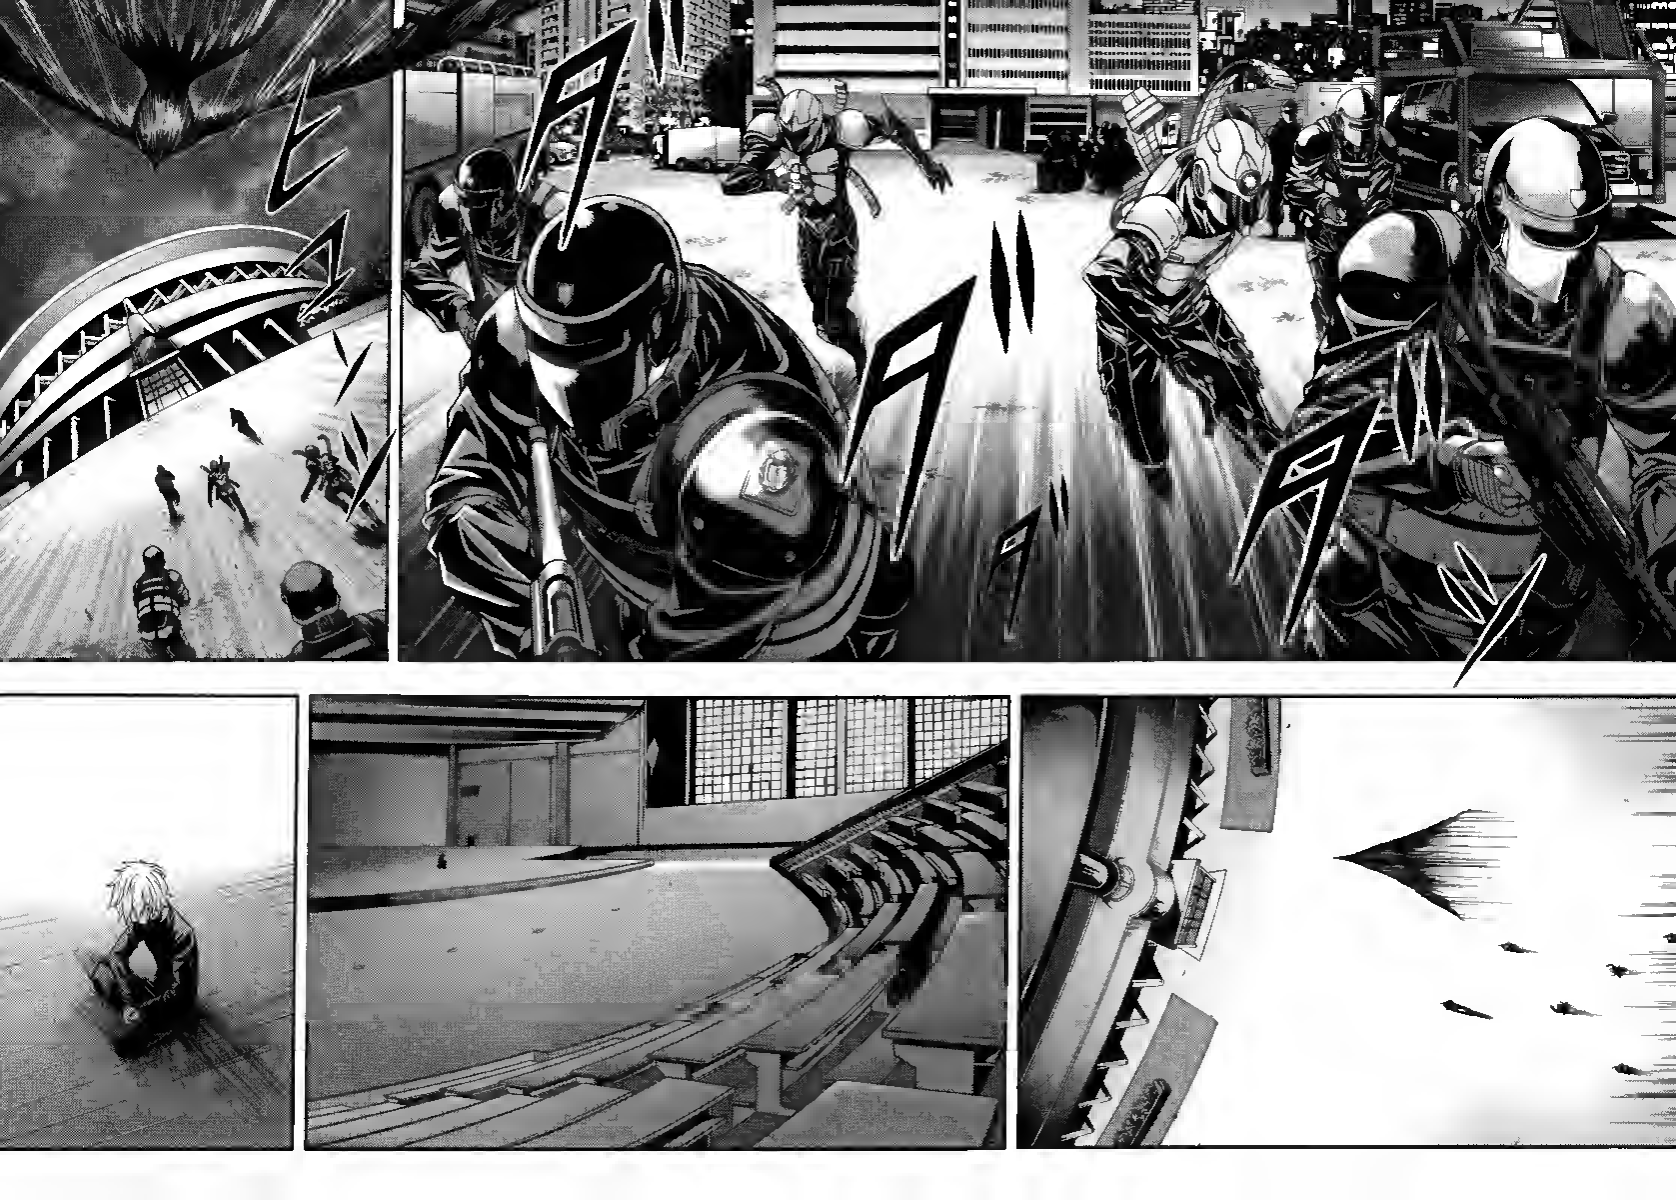
At last, a useful chance has come!
Gentle-man from BOOTS

Sniper Squad, standby!
Assaulting Squad, preparation completed!
Road completely blocked for 3 blocks ahead!



Every squad, keep your pace with each other!

So you don't like the boundary between us and section 5?
.....
BOOTS
They even keep an eye on BOOTS and investigate on our ideas, right?
ASSA-ULT!!



So it has started... "Never-more"...
Then, should we start it here as well?
LET'S START THE HUNT...!

IT'S CLOSED!

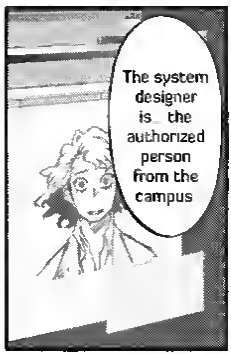
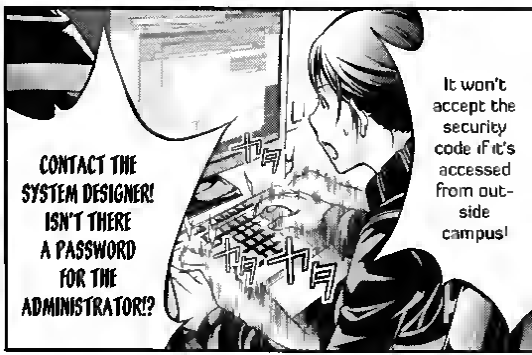
Since it became a meeting place for the International Conference for **Power Users** Rights, the security to prevent Knockers has been strengthened



The system designer is the authorized person from the campus



CONTACT THE SYSTEM DESIGNER! ISN'T THERE A PASSWORD FOR THE ADMINISTRATOR!?
It won't accept the security code if it's accessed from outside campus!

……!!
It's Katsuyuki Nojima! The one that Void attacked tonight!!
BOOTS

GROOOAA ARRR!!

*T/N: The killing sword (or Satsuninkou) is an aspect of Japanese martial arts, where your ability might injure/kill people- or giving live/help people (Katsuninkou). Most people who just learned martial arts will use it to hurt people, but the true usage of martial arts is to protect people. IMO, Samonji is referring to this, since Souma is still confused with the purpose of his resurrection

I am the Knocker Hunter, **Samonji**

Two top persons in a spice enthusiast group were killed...

The culprit was a power user who is able to change his body parts... With the help of a certain detective, the authorities were able to arrest him and he was sent to the usual prison on the isolated island... He became a model prisoner and at the beginning of this year, he was moved to a rehabilitation institution in Kisarazu, but...
That incident is related to this case!!
I didn't hear anything about such an incident!!
Two days ago the institution was attacked, and his ability was erased

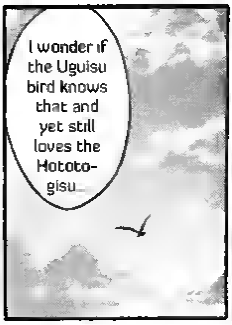
The Uguisu bird thinks that those are its own eggs, so it warms the eggs and raise the chicks

I pity the Hototogisu bird more

It will die without able to see its own offspring...
The Hototogisu grows up never seeing its parents even once,
and then later, it will do the same thing as its biological parents did

Hmph! You're laughing at me!
You're kind, aren't you?



I wonder if the Uguisu bird knows that and yet still loves the Hototogisu...

That's my opinion

Ryousuke-chan, you're always like this!
The chick who sneaks in the Uguisu's nest
That's me

Tokyo Police Hospital
.....
I was told that you were in BOOTS. You look pitiful now, Shigeru Kirihara
!!
DAMN!

HAZAMA!
I heard that you were defeated by Knockers, and by a mere brat?
It doesn't have anything to do with you!
These feet can't use boosters anymore, eh?
YOU...!

!!!
Join me!
Kirihara Shigeru!
You hate Knockers so much you stopped being a police officer and joined BOOTS...
I'm interested in you!
LEND ME YOUR POWER TO HUNT VOID!
You have been the Knockers' enemy for a long time and are experienced in fighting them! Lend me your power!!

.....
Let me prepare your future! I will make you live as a hero!

!!
There was once a detective, who was also a Knocker called "Snake Eye"

He had the ability to see human feelings
Are they lying? Are they hiding something? He was able to see through anything more accurately than a polygraph.

He caught more and more criminals and was praised as hero by the media...
He was like Z-End or Alcbane*...
But they were absolutely wrong!
HE'S NOT EVEN A HERO!

*Both are manga about superheroes

I KNOW! I KNOW WHAT HE'S LIKE WHEN HE'S CORNERING THE SUSPECT IN THE INTERROGATION ROOM!
I KNOW WHAT EXPRESSION HE MADE WHEN HE'S DOING THAT!

YOU'RE NO DIFFERENT THAN THOSE CRIMINAL KNOCKERS! YOU'RE ONLY INTOXICATED BY POWER!
IT'S ONLY PLEASURE AT EXPOSING OTHERS' HEARTS!
WHAT HE HAS IS NOT JUSTICE!

UGH ...!
IS BECAUSE YOU ARE STILL LOOKING FOR THE ONE WHO TOOK AWAY YOUR POWER!
HAZAMA! YOUR HATRED TOWARDS KNOCKERS NOW...
GET LOST, HAZAMA!
I don't want to be taken advantage of!
I heard that you got punished for intentionally hiding information from BOOTS
The future that I'll have after this... I will decide it for myself!

You will regret it
Shigeru

IT'S ALL GONE...!
IT'S GONE..!
MY POWER IS GONE...
ドス
WHO IS IT!?
ドス

The successor of Kukuri school of Kenjutsu, Ayaka Kukuri...
Other name is Samonji
You are a vigilante who is also known as the "Criminal's Slayer"
Before when you acquired your ability, you accidentally killed your father with your own hands...
Feeling guilty, you were determined to fight the criminals with your power...
Something you do to in order to atone for your sin...

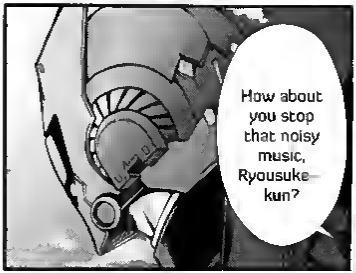
But, you're not a Knocker anymore...
.....
Your power was taken by Void and you've become an ordinary human...
I suppose Void said something like "You're now released from your sin"
Not even once I wished to kill my father, who forced the way of the sword, on me that day!
There's no way my mutated self is forgivable! I don't have anybody now!
DON'T JOKE WITH ME!
MY SIN IS NOT ERASED!
MY POWER MIGHT BE GONE, BUT MY SWORD STILL SLAYS EVIL!
I AM "SAMONJI"!

THERE!
You're just like an Ordinary, as informed
My name is Alcbane
I've come to entrust to you a weapon to defeat Void

My power to liquefy is already gone

ガシャ
And then, that person's as well...
Pale Horse's "Shield of Death" too...
"Jigenzan" will also disappear in 2 or 3 days...
I have to hurry...!

Shinjuku is one of the 23 special wards of Tokyo



Long time no see...
Professor Hidemitsu Isawa
I mean "Inspector"!
I've been impatiently waiting for you these past few days
You attacked four ability users last week and stole their quantum mutations...
You are called a Knockers hunter by the whole world, but I have a different opinion about that.
What you really aim for is "Equation". Katsuyuki Nojima... What you aim for is the equation he was researching.

You will be able to lure out the target that has been running away from you
Because, if you get that equation...
Why do you think so?
ANSWER ME! WHERE IS THAT EQUATION!?
Once he wants to KNOW* it, the door to the other world will open... That man you're aiming for is me!
It's here
It exists in only one place in this world

T/N: He emphasizes on the word "know" since he has a strong desire to want to understand everything, hence he is nicknamed 'inspector'

アデカラー
ガシッ

Void! I remember something you said before!
You said that you're not hunting the ability users blindly!
But instead you're hunting them based on a certain list!
In the distant future... In the world which is ruined from being controlled by the Knockers!
YOUR TARGET IS THE 297 LEGENDARY KNOCKERS WHO MADE THAT ERA!

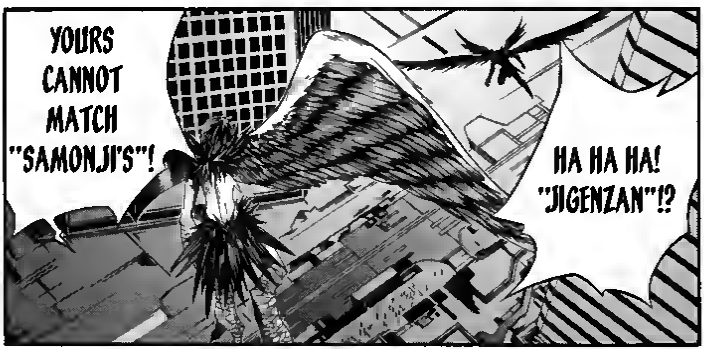
MY NAME IS ALSO ON THAT LIST! THE "INSPEC-TOR"!
HAHA!
IT'S WON-DERFUL!
HAHA!
BUT YOU'RE SUCH A FOOL!

THE ANSWER IS NO!!
YOU THINK THE FUTURE WHERE YOU CAME FROM WILL HAPPEN LATER IN THIS WORLD?

It's just you who came from the future but by now this world's future is different from yours

The axis of time has been branched already!
The future after this will also be an unknown world for you!
YOU NEVER IMAGINED THAT, EH!?
BECAUSE OF YOUR INTERVENTION, YOU MAY CREATE A FUTURE MORE RUINED THAN YOUR WORLD!

SHUT UP!!
ズガガ
バサッ



YOURS CANNOT MATCH "SAMONJI'S"!
HA HA HA! "JIGENZAN"!?

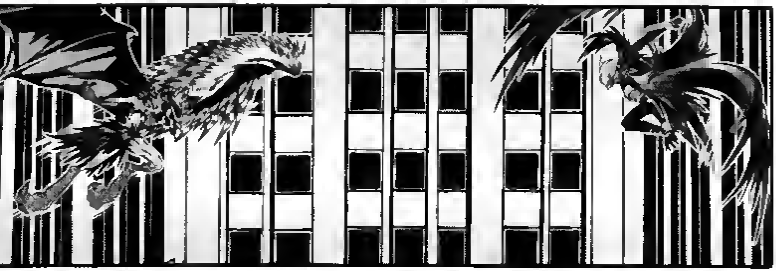
Have you ever thought about the result!?
But because of the "Alteration Burst", the probability for phenomena is able to be put together unlimitedly from the "many-worlds"!
It might be intervened by the probability of phenomena...
I think every type of intelligence is different!
TO THE KNOCKERS

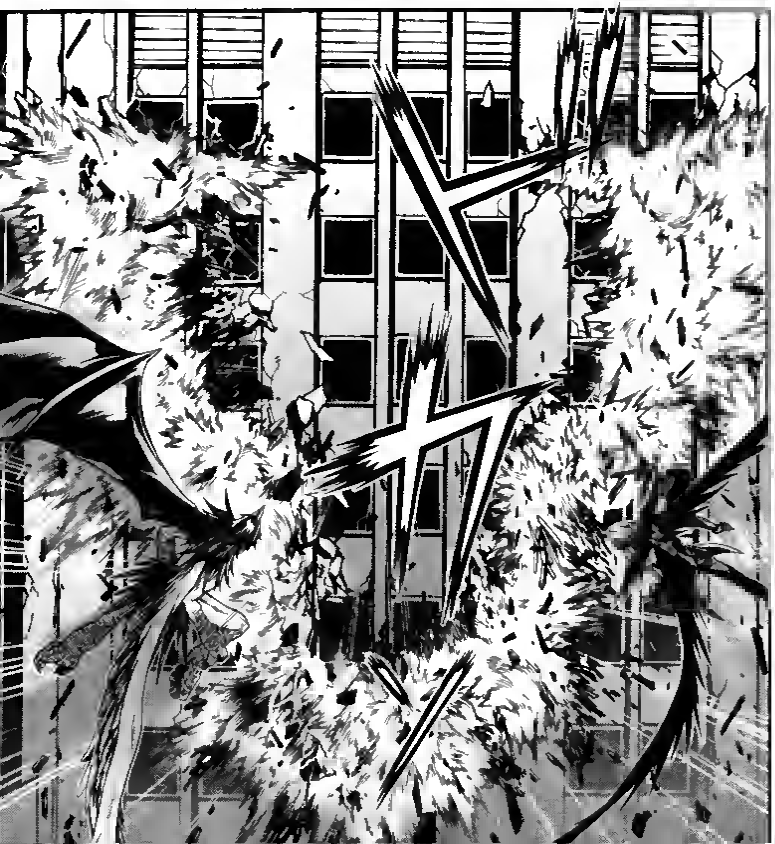
The writing on the board held by a man: Give rights to the Knockers!

IF WE DO THAT, HUMANS WILL BE RUINED!
It's either we gain the stability of the universe by ourselves or start to reject the saturation point!

WHAT IS KNOCKER!?
If that happened, then what is the meaning of the living being in the universe!?
WHERE DO WE COME FROM!?
WHERE DO WE INTEND TO GO!?

The one who intended to solve that mystery with a formula was "Equation"! Katsuyuki Nojima!
Even though I don't care that humans will become extinct... I genuinely want to KNOW!
I WANT TO KNOW THE FORMULA THAT EXPLAINS THE WORLD!





Oi! Pull yourself together!
Call an ambu-lance!

The data for the man in the surveillance camera recording is found.

Who is he?

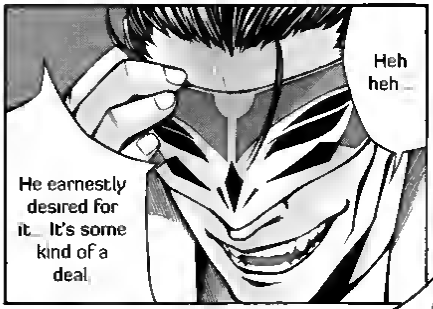
So you are not only controlling that police detective, eh!?



Heh heh...
He earnestly desired for it... It's some kind of a deal.

I WILL SLAUGH-TER VOID!
IF I DON'T KILL HIM MYSELF IT WON'T BE FUN!

SHRIKE!

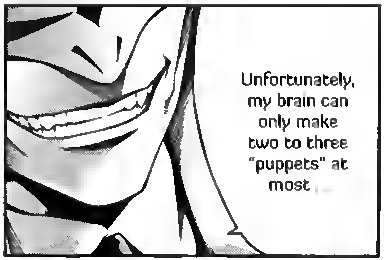
Episode:05 虚無の陥穽Ⅱ

LET ME TAKE YOUR SIN!
Wha !?
His power... I can't take it!?

I see,
so he's Cavalrie

Void has to physically touch the Knocker to take their power

But, Cavalrie's power changes his outward body to a heavy armoured armour
Void, who can't touch Cavalrie, won't be able to take his ability!



Unfortunately, my brain can only make two to three "puppets" at most...

BOTH OF THEM WILL AMPLIFY THE BRAIN OF MY PARTNER...!
MY BRAIN-WASHING WAVE AND ITS RANGE...

I have chosen it carefully...

The "puppet" to crush Void!

Throw it, Ryousuke...*

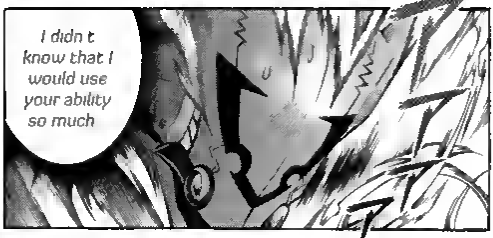
Pale Horse...



I didn't know that I would use your ability so much

Ryousuke Yuuki...

How many people have I killed tonight?
Everybody was killed by me...
Isn't it too late to feel guilty over killing one more person now?

Just take it easy... Don't blame it on anybody...
I refuse...

DON'T MAKE ME LAUGH!!
I've come here to beat the bastard who killed Sergeant Souma!!
However, that bastard is protecting a baby from getting crushed by that "Cavalrie" guy

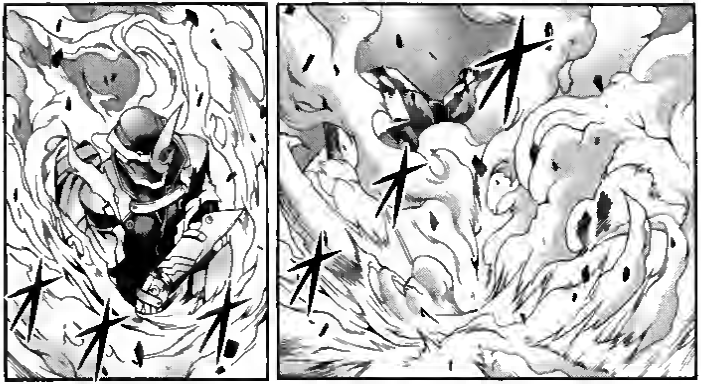
Alcbane...
I knew you would come, Crime Hunter...

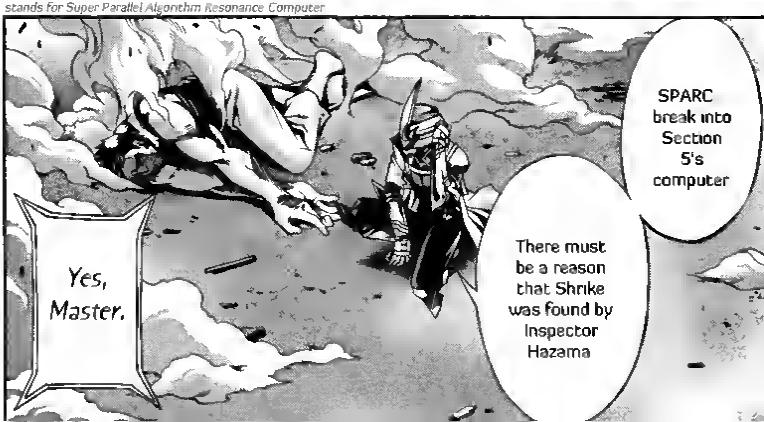
Heh heh, you always show up at times like this, don't you?
It reminds me of the first Rays-man...
Or should I say...
You're a very, very precious woman.

Shrike...
It's pointless to try to provoke me
You are known to wander around the parallel universe
You control those who wear that mask and always spread chaos in the world
Heh heh heh I remember it!
This long and showy arm!
You researched the wing you plucked from Void and made it, didn't you?
Tell me
WHY DO YOU HUNT VOID!?
Heh heh heh,
heh heh... You are that interested in why I hunt him?
Well, Alcbane, actually it's because

Master!



T/N: According to Wiki Japan, SPARC is atomic computer made by Daiba Tatsumi/Alcbane which has its own mind. The name stands for Super Parallel Algorithm Resonance Computer



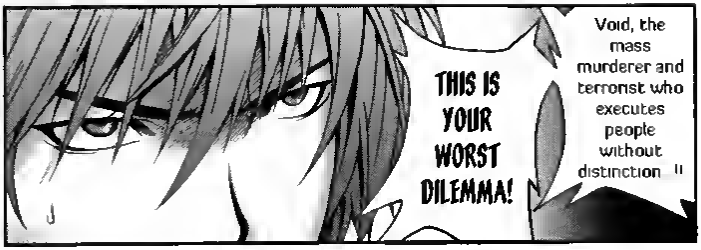
He was personally attached to Void
It is possible that he already went to Ryousuke Yuuki's hiding place to capture Void himself
If I turn my eyes away from this...
The tragedy of 16 years ago will happen once again!
Ugh...
ガラ...

It's nothing, Manami I just fell down
BIG BROTHER, WHAT HAPPENED!?
Hey, big brother
Do you want to play a game together?
This is...
A really fun game, you know?

T/Note: The first verse Manami sings refer to a children game where the "demon" (oni-man) is blindfolded and tries to catch other players by the sound of their clapping. While the second verse she says "oni-chan" (big brother), which sounds similar to onisan

WHAT DO YOU WANT FROM ME!?
If that "crow" shows his form...
Your sweet sister won't have a chance
Don't you dare call Never-more
ﾁｬｷﾝ

I don't intend to force you, I've already achieved my goal with what happened tonight
Roughly speaking, I want that thing under your feet
It's nothing special,



THIS IS YOUR WORST DILEMMA!
Void, the mass murderer and terronst who executes people without distinction !!

YOU'VE GOT ONLY TWO CHOICES!
And within thousands of ability user, being able to control you is amusing !
Moreover, if your "sister" dies, your bad reputation will get worse !

Why? Is it because the quantum mutations you take from others
Void, your existence is more unique than you think
Those mutations Where do they go actually?
I've come to see you many times in countless worlds

THE HUNTER OF NOTHING-NESS!
NOW, CHOOSE, VOID!
YOU FOOL...!
Nevermore is always with me...

YOU! YOU HIDE NANO-MACHINES WITHIN YOUR SHADOW...!?
FOOL! WITHOUT KNOWING WHAT YOU REALLY ARE...
BOOST!
The worst disaster...!
YOU WILL CAUSE THE SECOND ALTERATION BURST!
You intend to save the world!? You are the one who is dragging it to catastrophe!
JUST WAIT FOR IT!

HAZA-
MA...!
WITH YOUR POWER YOU CAN'T ERASE SHRIKE!!
VOID, STOP IT!
I'm no longer a power user You can't take anything from me
Heh heh What will you do, Void_? You can only take Knockers' powers, right?

I WILL KEEP TAKING THEM FROM YOU! HA HA HAAA!!
THOSE PEOPLE YOU MAKE AS YOUR FAMILY! THOSE PEOPLE YOU KNOW...!
BUT EVEN AFTER THIS, I CAN STILL PLUNDER YOU...!
WHAT... ARE YOU TAKING FROM ME...!?
You...!?
Wha... What is this...!?

AAAA RGH!!
What is it!?
Master, an incomprehensible phenomenon is happening!
AAAA
And also from my memory ...!
All data about Inspector Hazama is gone from MPD list of staff and Elements Network Database!

But it's a mistake

I've kept on thinking about this for 16 years
Do I have the right to judge you...?
Alcbane... I want to thank you for waiting until she's gone...
You have your reason to hunt Knockers,
and I consider that as something reasonable...
Because you erased all his proof of existence... Strictly speaking, I can't call that murder...
You erased Hazama in your anger...
However...

I know the killing intent you bear...
Still...
